Credit Manager
Joined Bankers in 2001

About Me

- Reviews new customers' orders, checking credit when necessary
- Provides monthly report on open order status
- Manages collection efforts for past due accounts through statements, notices and phone contacts so you don't have to
- Works directly with customers regarding the collection of payments, so sales partners can concentrate on what they like to do best – sell
- Makes sure we get paid for orders so we can sell re-orders
