CARE INSTRUCTIONS

Wash before wearing. • 100% breathable 2-ply cotton holds up to extended washes and wear. Wash to sanitize after wearing. Dry completely in dryer for form fit after each use. Individuals should be careful not to touch eyes, nose and mouth when removing face mask and wash hands immediately after removing.

DISCLAIMER: Cloth face coverings should not be placed on young children under the age of 4, anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the mask without assistance. These masks are not medical grade and are not to take the place of the N95 masks. They are not suitable for use in a surgical setting or where there would be significant exposure to liquid, bodily or other hazardous fluids, use in a clinical setting, or use in the presence of a high-intensity heat source or flammable gas. Wearing a mask is not guaranteed to prevent transmission of disease and is not a substitute for other recommended disease-avoidance measures. For guidance on usage, consult the Centers for Disease Control (CDC), available at www.cdc.gov.
